

DHC DOBNEY HYPERTENSION CENTRE

Justine Chan Completed Bachelor of Science at The University of Western Australia in 2014, with a double major in Anatomy and Human Biology, as well as Physiology. Following this, Justine moved to Melbourne to undertake Master of Nursing Science at The University of Melbourne, where she graduated in 2016. As a newly qualified Registered Nurse, she was offered a year long position in the 2017 Graduate Nurse Program at Royal Melbourne Hospital. After completion of this program,

Justine returned to Perth to work as a Research Assistant with Prof. Schlaich. This role involves working in the Hypertension Clinic at Royal Perth Hospital, as well as being involved in the daily running of clinical trials and research studies at Dobney Hypertension Centre.
